## Dates & Locations:

## Schedules & Results:

Playing schedules (when completed) can be found online at [www.advancedeventsystems.com](http://www.advancedeventsystems.com).

## AAU Entry Fee's:

Teams participating in the **FULL SCHEDULE** and finishing in 1<sup>st</sup> place in their age group, will be eligible to have their early AAU entry fee paid or reimbursed. If the first-place team has already accepted an AAU entry from another tournament, the reimbursement will be transferred to the second-place team. This process will continue to the next lowest, until an eligible team has been selected.

## Point system & Final Finish:

The **FULL SCHEDULE** consists of 3 play dates. Each week, teams in each age group (not division) will be awarded a point based on their order of finish.

**Example:** If a team is playing in the 17/18's division, is an 18-year-old team, and finishes 1<sup>st</sup> in bracket A they will be awarded 1 point, second 2 points, third 3, and so on. If a team is a 17-year-old team playing in the 17/18's division, they will be awarded points based on their order of finish. If they are the highest finishing 17's team on the weekend they will receive 1 point, the second highest 2 points, and so on.

**FINAL WEEK OF PLAY:** The final weekend of play the top 8 teams in each age category will be separated out to play for Championship points. The remaining teams in the division will stay mixed together and will be placed in pools/brackets based on their overall seed in the league.

**Example:** If a team is playing in the 17/18's division, and is an 18-year-old, and finishes week 3 in 1<sup>st</sup> through 8<sup>th</sup> place, on the last weekend they will play in the 18's Pool A1

and A2 matches. If a team is 17 years of age and finishes week 3 in 1<sup>st</sup> through 8<sup>th</sup> place, on the last weekend they will play in 17's Pool A1 and A2.

### **12U Division:**

#### **TWO- WAY TIES:**

The team that won the pool play match between the two tied teams (head-to-head) wins the tie.
